Dear Parents and Carers,

Christmas Cards and Plays

With December fast approaching, some of you have been asking if the children are allowed to send each other Christmas cards this year due to the COVID-19 restrictions. We want them to have as normal a Christmas as possible and we are going to try to do everything we can do achieve that.

So the answer is Yes!

However, we would request that instead of them being handed out in the playground, they are put into the school post box and these will be distributed on the last day of term. The post-boxes at each school will be ready for use, on December 1st and the last posting day is Friday 11th December. That way, they will have some quarantine time before being distributed.

When writing their cards, please can you remind them to put the name and Class on the envelope as it makes it so much easier for the Post Officers in the sorting room.

Regarding the annual Christmas plays and carol services, obviously, we won't be able to do these in the normal way, but each school will be performing a play, and each class will be doing something to celebrate this festive season. Unfortunately, we are not allowed visitors in school, so we are unable to invite you to come and share this, but we will be recording it and posting it on Google Classroom for you to watch. We know that this is not the same as a live performance but we are trying to work around it the best we can. We will get details out about this nearer the time once everything is finalised.

Best wishes

Gail Jerman
