

## Spruce Class Newsletter- Spring 2

Welcome back everyone! Hope you all had a relaxing break.

After what has been a very different half term with Lockdown, remote learning and snow days, I am beginning to see signs of Spring and with that the possibility of normality returning.

Until then, I am looking forward to another few weeks of online learning. You have all adapted remarkably well to our new way of working and I am immensely proud of you all.

Each morning we will have LIVE learning in English, Mental Maths, Maths and a wider curriculum area. Work will be posted on Google classrooms for you to complete either during the lesson or in the afternoons.

Please remember that our expectations for behaviour remain the same as they would be if you were in class physically.

### General Reminders

For those children coming into school, the gate will open at 8:20, where they will have their temperature taken and be asked to wash their hands.

PE will be on a Thursday. Children are to come to school in their PE kit. Long hair needs to be tied back and children need to be able to remove earrings themselves or put tape on them.

Any problems please let me know. We look forward to an exciting term ahead.

Mrs Youngman and Mrs Baggott

**English-** we will be using the text Charles Dickens- Scenes from an extraordinary life- we will be looking at biographies.

**Maths-** This half term we are learning about fractions, decimals and percentages.

**Science-** we will be investigating living things, looking at life cycles and how animals and plants are classified.

**Wider Curriculum-** Our topic this half term is Amazing authors. We will be completing a cross curricular project where we will be able to retell our favourite story and make an online book using or art, technology and computing skills.

In order to broaden our historical minds we will be looking at post Tudor Britain and discussing how society has changed.

In Spanish this term we will how to introduce ourselves, tell someone when our birthday is and where we live.

For further information about our Medium Term plans, please visit our website.
