Dear Parents and Carers,

March 8th 2021

I am sure you have heard by now that the Government have announced that schools will be fully open to all pupils from March 8th 2021. We are all really looking forward to having everyone back in school, and seeing them in real time rather than through the screen.

I just want to assure you that since the announcement was made, we have been busy updating the Risk Assessments, making changes as needed and also sorting the staffing timetables to make the school as safe as we can make it for when the children all return. We will be getting lots of information out to you at the beginning of next week, so please don't worry that you haven't heard from us yet.

I have asked the teachers to make contact with the pupils who are at home, this may be as a phone call or they may arrange a Google meet. The purpose of this is so they can catch up 1:1 with each of them and see if they have any concerns or questions about coming to school, and calmly reassure them that it is normal to feel anxious or worried but we are here to keep them safe.

In the meantime, enjoy the Spring weather and have a good weekend.

Best wishes

Gail Jerman
